Your ranking results explained:

- 'Organic' - these are rankings for the URL (website address) you provided.
- 'Local' - these are rankings for your Google Maps, Yahoo Local or Bing Local listing that appear in the main Google/Yahoo/Bing results.
- 'Carousel' -
- '3rd Party' - these are search results which mention your business name but aren't your website. These are usually well known directories or sites like facebook which you are listed on. The search engines crawl these sites and show results for them in their search results.
